PEOPLE REJECT PROPOSAL TO BUILD HALL

Post-Card Survey Shows Overwhelming 2-1 Vote Against Venture

By an overwhelming 2-1 vote, Daly City residents vetoed the proposed construction of a new community center building here, according to results of a post-card survey made public today.

Final returns showed only 172 taxpayers voting "yes" on the proposition as against 356 answering "no."

Results are expected to prove a crushing blow to the hopes of the Community Hall association, organized here in January.

It was estimated that the proposed community center would necessitate a bond issue of ten years, raising taxes approximately 12½c if the Vista Grande school property were used, or 9c if the Vista Grande park was selected as the site.

Total cost, according to promoters of the venture, would be approximately $75,000 if the school site were used or $55,000 at Vista Grande park.

In an effort to ascertain public opinion on the matter, comprehensive questionnaires were sent to each tax-payer.

It has not yet been ascertained what action, if any, the association will take when the report is submitted.

COUNTY NEWS IN REVIEW

Mink Raids Coop—

San Mateo county wild-life hunters continue to amaze a population which had heretofore considered itself suburban if not metropolitan.

A few weeks a baby seal was discovered disporting itself in downtown Redwood City.

Last week an injured deer was caught in Atherton. No one was able to explain the event.

An dthis week a real honest-to-goodness fur-bearing mink was shot near Emerald lake outside of Redwood City. It was raiding a chicken coop.

Extend Campaign—

The state health director plans to extend his campaign against self-treatment of venereal diseases to San Mateo county in the near future, he announced today.

Druggists are being approached and all who agree not to sell medicines for the treatment of venereal diseases, except on a doctor's prescription, will be given certificates of co-operation by the state department of public health.

Free Lunches—

Free lunches provided for San Mateo county school children by the State Relief administration have resulted in average weight gains of 2 to 4 pounds, the county SRA director announced today.

The meals have been supplied to five San Mateo elementary schools, Sequoia Union high school, five Redwood City elementary schools, Jefferson Union high school, Half Moon Bay high and elementary schools.

Redwood Driver Mows Down Man

Fred Silicani, Colma, lies seriously injured at the Villa sanitarium, today as the result of an accident at Mission and Market streets, Sunday evening.

Silicani was struck down in the pedestrian lane, as he was crossing Mission, by a car driven by John Edward Hogan, Redwood City. Taken to the hospital, Silicani was reported to have incurred a compound fracture of the left leg, a fracture of the right leg and cuts and bruises.

Hogan was held by Daly City police on a charge of reckless driving with personal injury. He is scheduled to appear before Judge Wade H. Clay on Friday.

Daly City Youth In Heroic Attempt

Heroic rescue attempts on the part of a twenty-two year old Daly City youth, Leon Boardway, last week failed to save the life of a San Francisco child who drowned in the reservoir on top of Strawberry Hill in Golden Gate park.

Eight-year-old Marion Strok, who went swimming in the reservoir against the protests of his

Bad Luck Dogs Tiny Ronald Anderson

Bad luck dogged the tiny footsteps of Ronald Anderson, three-and-a-half-year-old son of Mr. and Mrs. Sumner G. Anderson, 32 Alexander avenue, Thursday afternoon.

Ronald, playing in the street, ran into the rear of a car driven by C. F. Rodenberger, 424 Irvington street. His leg was broken by the impact. Rushed to the Alemany emergency hispital, he was later transferred to St. Joseph's hospital, where he spent two days.

Ronald is home again, his leg in a cast, and promises not to play in the middle of the street any more.

Two Escape Death In 150 Ft. Plunge

Plunging 150 feet down the cliff in a car near Mussel Rock off the Coast highway, and living to tell the tale, was the unusual experience of William S. Caldina, San Francisco, and his companion Miss Jean Coffee, Thursday evening.

Caldina's car hurdled the foot-high banked shoulder when his wheels locked. Without turning over the car plummeted down the

Elton Norwood Drinks Laundry Bleach

Elton Norwood, age two and one-half years, is a sadder and a wiser little boy this week.

Elton, who lives at 231 Knowles avenue, saw a tempting bottle of Clorox laundry bleach near at hand while he was playing last Wednesday. He promptly proceeded to drink a liberal quantity of it.

Rushed to the Villa sanitarium by Daly City police, Elton was able to smile rather wanly after his stomach was washed out. But he seemed to have concluded that Clorox was a highly unsatisfactory beverage for a thirsty young man.

Personalities in Canadian Election

All Canada voted yesterday in the special election called by Prime Minister Mackenzie King, left, to get a "new mandate" in support of his war government. Mrs. George Black, center, a parliament member from the Yukon, has been campaigning in the snowbound northwest territory seeking votes. Slyvanus Apps, right, youthful Toronto hockey star, has promised to retire from the ice sport if he wins a parliament seat.

D. C. Area Contributes More Than $600

Daly City, Colma and Lawndale contributed more than $600 this year to the twenty-third roll call of the San Mateo county chapter, American Red Cross.

This encouraging report was issued today from the office of Helen Percy Chesebrough, vice-chairman. Of the total, Daly City contributed $388,83; Colma $145.50 and Lawndale $72.50.

Throughout the county there were 6,223 members who subscribed a total of $11,671. Of this amount $9,334 remains in the San Mateo county chapter and the rest will be sent to the National Red Cross fund.

Rain Changes Hunt To "Grab Bag"

Daly City's WPA Recreation department instituted a novel method in Easter egg hunt when, because of rain, they ran Sunday's "hunt" in the manner of a grab bag.

Instead of being hidden around the grounds at Jefferson Union high school, the eggs were placed in buckets. Each bucket was covered by a lid with a hole in it. Children picked eggs from the buckets, sight unseen, and the child who was lucky enough to get a golden-colored egg won a prize. There were fourteen golden eggs in all.

Ice cream, donated by Witt's Dairy, Borden's and Golden State company, was served to the young "hunters." The prizes were donated by local merchants. One of the contributors, not before mentioned, was Westlake Market.

"The department is grateful to the merchants," said Bruce H. Boynton, local Recreation director, "for their prizes, and to George Spulos, proprietor of the Theatre restaurant, for boiling a thousand eggs for us."

Police Recover Stolen Automobiles

Lois M. McGuire, San Mateo, was awakened by her telephone at 3 a. m., Monday, but she didn't mind it in the least, she told the press today.

The telephone call informed Miss McGuire that her car, stolen Sunday, had been found by Sergeant W. W. Sunderland and Officer A. J. Dalton of the Daly City police force. The vehicle had been abandoned at Junipero Serra boulevard at the county line.

Miss McGuire's car was the second stolen automobile recov-

Question: Who Is "Hazard" To Whom

Whether Daly City's municipal busses constitute a new "hazard" for the Ingleside Golf course—or whether the golf course is a "hazard" for the busses—is hard to determine.

At any rate, last week a golf ball (Exhibit A) came sailing over the hedge and smashed squarely into the shatter-proof windshield of a yellow bus intent on its own business.

The driver said several things. He stopped the car. He went over to the course and asked whose &*$@ golf ball this was. But none of the five players on the course could imagine to whom it could belong.

This is the second time that a golf ball has made a "hole in one." The first time the ball struck the side of the bus. Insurance will take care of any damage to the busses, the bus superintendent said. Golf players will have to buy their own new balls.

Burglar Utilizes Clothes-Line Pole

Using an old clothes-line pole to gain entrance through a bathroom window, a burglar this week-end took $20 in cash and a bankbook from the home of Robert Brand, 97 West Moltke street.

Brand told Daly City police that he had been away from home since Thursday. Upon his return, Monday, he found his home ransacked and the money missing. Police are investigating the case.

City Attorney Addresses League

City Attorney Rudolph A. Rapsey was one of the two main speakers at a dinner meeting of the Peninsula division, League of California Municipalities, Thursday, in Burlingame.

Nearly 100 city officials from San Francisco to Morgan Hill heard the discussion which centered around the advantages of a city government administered under general state laws as opposed to one operating under a charter form of government. Fire Chief Andrew P. Chesney and Water Superintendent Arthur J. Bodien attended from Daly City.

Rapsey discussed government under state laws, asserting that these give municipalities broader powers and greater flexibility in meeting problems as they arise than are possible under a charter.

He pointed out that a government administered by a board of

Hit-Run Motorist Ploughs Into Three

Disregarding the upraised hand and flashlight of Police Officer Edward Heim, a hit-and-run-driver Saturday night ploughed into a group of people returning home from the Daly City theatre. Three persons were injured: Heim, Mrs. John Coleman, 150 Crocker avenue, and her nine-year-old daughter, Gloria.

Mrs. Coleman and Gloria were the last of a group that Heim was escorting across Mission street at Flournoy after the late show, when a car going south on Mission failed to stop, struck the officer and his charges, and then sped away from the scene of the accident.

Mrs. Coleman and Gloria were taken to the Villa sanitarium, where they were found to be suffering from cuts and bruises. Gloria incurred a broken leg. Heim was given first aid and taken to his home, 478 Irvington.

Police are investigating a car with a bent fender and damaged headlight seen shortly after the accident. The three occupants of the automobile were believed to have been intoxicated.

Blowout Sends Two Motorists To Hospital

A tire blowout sent a car driven by John Morrison, 1212 Eleventh avenue, San Francisco, crashing into a telephone pole on El Camino Real in Lawndale last Wednesday, injuring Morrison and a passenger, Arthur Settler, 1121 Sanchez street, San Francisco.

They were treated for cuts and bruises at Junipero Serra hospital.

COUNCIL HITS SNAG ON STREET PROJECT WORK

Temporary Restraining Order Holds Up Opening Of Bids

Daly City council struck an unexpected snag, late Monday afternoon, when a temporary restraining order was issued in San Francisco to prevent the opening of bids on the quarter-million-dollar WPA South End streets project. The bids were scheduled to be opened at Monday night's council meeting.

City Attorney Rudolph A. Rapsey explained that the injunction had been received in Daly City after the San Francisco courts were closed at 5 p. m., too late to take action.

The council postponed the opening of bids to an adjourned meeting which will be held at 7 p. m., today, by whcih time it is expected that the matter will have been cleared up.

One of the two plaintiffs named in the suit will not continue action, the city engineer said yesterday, and the other plaintiff is not properly included in the proposed assessment district. A similar injunction against the South End project was dismissed from superior court in Redwood City two weeks ago.

Work was ordered continued on the Junipero Serra sewer project.

Colma News

By Eleanor Price

Miss Rita Benassini and Miss Pat Camenzind, accompanied by Tim Silicani and Ernest Martini, spent a very enjoyable Thursday evening motor boat riding on Lake Merrit, Oakland.

Miss Phyllis Lane spent the week-end in South San Francisco visiting her grandmother, Mrs. Mary Lemmens.

Albert Rosa and Miss Norma Malascino, both of San Francisco, will be married Sunday afternoon, March 31, in the Corpus Christi church, San Francisco. Rosa is the nephew of Mrs. F. Podesta and is well known in this vicinity.

C. E. Lowe returned to his home Wednesday from the St. Luke's hospital, where he was confined with an illness for several days.

Mr. and Mrs. V. Capurro and daughter, Florine, visited the new home of Mr. and Mrs. John Tolosano in San Francisco, Friday evening. Mr. and Mrs. Tolosano formerly resided in Colma.

Mr. and Mrs. L. Benedetti, Mrs. Inez Benedetti and daughter, Florence, Miss Rita Benassini and Miss Pat Camenzind motored to Santa Cruz, Monday morning, to spend the day visiting with Miss Camenzind's brother, Charles Camenzind.

Mr. and Mrs. George Lagomarsino entertained at an Easter dinner, Sunday evening. Those present were: Mr. and Mrs. Fred Lane and daughter, Phyllis, Mr. and Mrs. Ricco Lagomarsino and daughters, Dolores and Loretta, and William Lagomarsino.

Cypress Circle No. 14, Ancient Order of Druids, received their official visit from the Grand Arch Druidess, Mrs. Rowena Lucas, Wednesday evening of last week. Mrs. Alma Garibaldi presided. The Cypress Circle drill team, with Mrs. Jeanette Feldman acting as chairman, had charge of arrangements.

Miss Rita Benassini and Ernie Martini spent a pleasant Sunday at the summer home of Mr. and Mrs. A. Parmisano in Felton.

Miss Eleanor Price, senior princess of Bethel 68, Order of Job's Daughters, will be chairman of a whist party given by the bethel in the Lomita Park firehouse on Friday, March 29. Proceeds from the card party will be used to defray the expenses of the installation of officers, June 30.

Mrs. Lillian Stone motored from Fortuna, Thursday, to spend a few days with her son, Lloyd Stone, F. Street, Colma. She returned home Sunday.

To Award Merit Badges to No. 101

More than 40 different merit badges will be awarded at a court of honor for Boy Scout Troop No. 101, Friday evening, at Theatre hall, according to Scoutmaster Frank Coughlin.

In addition to the awards, there will be a demonstration of basket-making and a brief program introduced with stunts by the cubs. Parents and friends are invited to attend; the time is 8 p. m.

Coughlin today announced that Troop No. 101 will have the basketry exhibit at San Francisco's huge Scout-O-Rama to be held April 19 in the Civic auditorium. The Scout-O-Rama will be the biggest Scout circus and merit badge exhibit ever staged in this area and is expected to draw thousands of spectators from all over the state.

Members of the local troop will also take part in various competitive events at the Scout-O-Rama, while Scoutmaster Coughlin has been appointed to work on the scenes and stage properties committee. Tickets for the event are now on sale and may be procured from any member of the troop.

Recent newcomers to Troop No. 101 include Frank Smollen, Frank Coen, Andrew Parodi, Billy Nassano, Silvia Brocchini and Phillip Morales.

Hold Last Rites For Henry Wilke

Funeral services were held Monday at the W. C. Lasswell funeral chapel for Henry Wilke, 67, who died at a San Mateo hospital, Friday, of pneumonia. Wilke had been in ill health since an accident two years ago.

A resident here for thirty years, Wilke is survived by a sister, Mrs. Minnie Hanselman, 244 Willits street, with whom he made his home. He leaves a brother in Portland, Oregon, and three brothers and a sister in Germany.

Inurnment was at Cypress Lawn Memorial park.

Height of Chimneys

Height plays a considerable part in the efficiency of a chimney, many authorities maintain. For this reason, chimney heights of 30 to 35 feet as a minimum are recommended. Any arbitrary minimums must be considered in the light of local conditions, however, as overhanging trees, the height of the chimney above the roof, and strong prevalent winds can cause disturbance in the draft action.

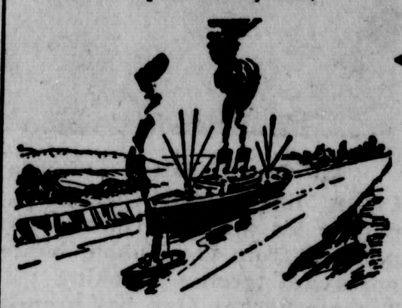
"UNREAL REALITIES" IN THIS AMAZING AMERICA

TWO PER MINUTE →

The Greyhound Lines operate twice as many buses as there are minutes in the day, providing more service to more places than any other transportation system.



NATURE'S STUNTS →

Nature was in a playful mood when she created the fantastic array of wonders in Garden of the Gods near *Colorado Springs, Colorado.* Tons of rock balanced on a tiny corner — kissing camels — women of stone who've been kneeling for centuries — rose-red cathedrals! You'll think you're dreaming—but they're real!

← FOREST OF STONE

You could never start a bonfire with the trees in the *Petrified Forest of Arizona.* For the wood in these trees ceased to be wood eons ago and today is solid agate, jasper and chalcedony. None of these trees of course stil stands—this is a forest of fallen and mummified giants.

PORT WITHOUT A SEA

The port of *Houston, Texas,* is miles from any lake or ocean—yet ocean-going vessels are in regular service to and from it. By turning an old river bed into a deep-water canal to the Gulf of Mexico, Houston created one of the wonders of the maritime world!

Insulation Terms Defined

"Fully insulated" and "completely insulated" are two terms frequently misused, FHA officials say. "Fully insulated" means that the house is equipped with both wall and roof—or top-floor ceiling—insulation. Both new and already-built houses may be "fully insulated."

Jefferson High Starts Off Varsity Baseball Schedule

Jefferson started off their varsity baseball schedule, Monday, when they played San Mateo J. C. on the Jefferson diamond and lost 4-0. Roy Giusti pitched the seven inning game, allowing six hits, which is neither good, bad nor indifferent.

Jefferson will not be called upon very frequently to face a pitcher like Jaysee's Bob Preston, who allowed three hits. Preston, who learned baseball at Jefferson, is the same boy who kept the Colma Merchants at the top of the league with ten straight wins last season.

Also of Jefferson's alumni was the Jaysee rightfielder, Schultz.

Speed Skaters To Have Own Club

Speed skaters, whose thrilling dashes hold the interest of many other skate enthusiasts, will soon have their own club at the big Winterland ice rink, it was announced this week.

Regular sessions and special competitions, under official sanction, are being planned.

Organization of the new group was encouraged when George Wallace, San Francisco youth, recently set new speed records in international competitions held in Norway. Now a world champion, Wallace learned to skate on indoor rinks and does his practicing at Winterland. He will be a member of the new club, it was stated.

Another new group open to the public and already organized is the Winterland Skate club, which holds special sessions and events. The club has distinctive sweaters for its members.

Daly City Bowlers Keep Standing

Daly City's bowlers kept their standing in the 9:30 division of the Merchants league last week, Milo's retaining third place and Universal Press, fifth.

Milo's Market played three close games with Q. R. S. Neon, losing two out of three, but Milo's total score was 4 points higher; 2422-2426.

Universal Press lost two out of three to Howard Buick; total points 2181-2287. Standing of the 9:30 division follows:

The Record Invites ALL Candidates To Tell Their Story

Believing that the electorate can make an intelligent decision only when all the facts are given, The Record is maintaining its "open door" policy on the municipal election. Following is a copy of the letter which the newspaper sent last week to each candidate for municipal office:

Dear Candidate:

In keeping with The Record's "open door" policy in political matters, we are placing at the disposal of each candidate, every week until the election, six full inches of free newspaper space to tell his qualifications for the position he is seeking. Deadline each week is **noon** on Monday. No copy will be accepted after this time.

We are sure that you will wish to avail yourself of this courtesy to yourself as a prospective office-holder and to the voting public. Please turn your copy in on time each week. Needless to say, your copy should not refer, directly or by inference, to any other candidate.

Very truly yours,
THE DALY CITY RECORD.

Edmund Cavagnaro

On April 9th the citizens of Daly City will choose two members to represent them in the City Council.

It has been my privilege to serve as a member of the City Council for the past four years. When John J. Fahey and I ran for the office of councilmen four years ago, you accorded us the highest vote ever received by any candidate for this office. Personally, I have viewed this as a vote of confidence in my ability, and character that has been my honest endeavor to live up to.

At the insistence of my many friends in Daly City, I have decided to again place my name before you for your consideration. I realize fully the importance of this office. As chairman of the Finance Committee I have derived an understanding of the functions of every department.

At all times I have tried to carry out the wishes of the people, to give the city an efficient and economical government, to aid in its progress and improve its general welfare.

I am not unmindful of the many important problems confronting our city at this time. My experience and knowledge together with my record during the last four years are attributes that qualify me to continue to represent you.

I realize that all members chosen to the City Council are duly elected by the people as their legislators, but no member, or members thereof, should jeopardize large sums of taxpayer's money when such an issue can be decided upon by a vote of the people. I believe in expression of the people, and abidement of their judgement in such matters.

I am of Italian parentage, born in Colma. I have lived my entire life here. I have seen the growth of this city from its inception to the present time. Everything that I can possibly do to make it better, I sincerely pledge you, I will do to the best of my ability.

EDMUND T. CAVAGNARO.

John J. Fahey

As your representative on the City Council of Daly City for the past eight years, it has been my consistent and honest endeavor to conduct the affairs of the City of Daly City in the same manner as one conducts his own business, in other words in a manner intended to accomplish the maximum benefit for the minimum expense.

As a pioneer resident of Daly City, as one who took an active part in the incorporation of Daly City in 1911, and who has ever since taken a leading part in municipal affairs, I feel that I am fully acquainted with the City's needs and problems.

As a large taxpayer, I am naturally interested in maintaining efficiency in the City's Government. My record for the past eight years proves that I have consistently fostered, supported and voted for that which I felt was a benefit to the city. My record will also prove on the other hand, that I have always opposed unnecessary or wilful waste of the taxpayer's money.

As a business man engaged in the real estate business for over 20 years, I feel that I am qualified to give, and have given, the city a business administration. My business is conducted in Daly City. I am therefore always available to consult with the people, know the city's problems and affairs, and keep in touch with and look after the city's business.

My interests, home and my family are here. My desire is to give Daly City and its people a good, honest, efficient business administration. To this end I sincerely pledge myself.

JOHN J. FAHEY.

Proper Electrical Service

The home owner, when buying electrical equipment, is cautioned by the Federal Housing administration to bear in mind the type of electrical service he is to receive, as many electrical appliance usable on direct current will not operate on alternating current. Localities where direct service is supplied are declining, but it is still a factor.

400-Day Clocks

Clocks with specially constructed pendulums have been developed which can run 400 days on a single winding.

Synthetic Koroseal

Electric transmission cables coated with a new synthetic called koroseal have been found capable of resisting the destructive ravages of the extremely corrosive gas, ozone, for periods as long as three years. Cables coated with ordinary insulating material are eaten through by ozone in three seconds.

Most Favored Nation

Under the amended 1930 Tariff act every nation is entitled to any reduction in duty given to any other nation, unless the President proclaims that a certain country is discriminating against our commerce. Such a proclamation was made by the President in regard to Germany. Germany is the only country to whom the most favored nation tariff policy is denied.

White Collar Workers

A remarkable growth has taken place in the number of white collar workers since 1870.

DALY CITY DIGGIN'S

"It's All In Fun"

By Bob Keely

Once again we sit down to give you the latest dirt on local items. Wen can't see what we're writing very well through our black eyes and swollen nose (the direct result of last week's remarks) but we'll do our best.

In order to widen our information channels, we spent many hours this week organizing our own little "Gestapo." If someone eyes you suspiciously, be on your guard. That's our man!

Congrats to Bruce Boynton and the annual egg hunt committee for not letting the children down. In spite of the rain, a good time was had by all.

We reluctantly turned down a five-dollar bill offered to us Saturday by Eddie (the Advershow man). All we had to do was get our hair cut on the stage, by Joe, the assistant manager.

Such goings-on at Julie Selmi's birthday party. Luckily, it was held in Julie's cellar.

Daly City's newest organization, the "Glamour Girls," haven't invited us to make a speech before them as yet. We're waiting.

Henry Warshawski is plugging for the Fiesta already. The dates are May 19 to 25 and 'tho no local entertainment is planned, stores and people alike will costume themselves fo rthe event . . .

John Bignotti, local mechanic and pistol enthusiast, has a hard time trying to get a handicap since he recently won four medals in indoor competition. John rose from a mere beginner to expert like this: Bang!

Operator X-13 reports spotting Tom Beeson pressing his own pants while he waited, the other day.

Midway Islands Discovery

The Midway islands were discovered on July 5, 1859, by Capt. N. C. Brooks of the American-owned Hawaiian bark, Gambier, who took possession in the name of the United States. Captain Reynolds, in the U. S. S. Lackawanna, took possession formally on August 28, 1867.

Netherlands Defensive Flooding

If the dykes in the Netherlands are open, defense flooding would damage the farm lands, and necessitate the evacuation of thousands of residents, but the water would not be sea water, it would be fresh water from the rivers, or the old Zuyder Zee, now called Ijssel lake. It would do no permanent harm.

U. S. Highest Lake

The highest lake in the United States having an area greater than one-tenth of a square mile, is Tulainyo, 1½ miles northeast of Mount Whitney, Calif. It has an elevation of 12,865 feet.

Notice Inviting Sealed Proposals

Pursuant to statute and to a Resolution ordering the work, of the City Council of the City of Daly City, directing this notice, said City Council hereby invites sealed proposals or bids for doing the work and improvement described in Resolution of Intention No. 702 of the City Council of the City of Daly City, adopted February 26th, 1940; and said Resolution of Intention is hereby referred to for a description of said work and improvement, the grades to which it is to be done, a description of the district to be assessed to pay the costs and expenses thereof, and for all further particulars contained in said Resolution of Intention. Reference is hereby further made to the specifications for said work posted and on file in the office of the clerk, in accordance with which said work shall be done.

All proposals or bids shall be accompanied by a check payable to the City of Daly City and certified by a responsible bank for an amount which shall not be less than ten per cent of the aggregate of the proposal, or by a bond for the said amount and so payable, signed by the bidder and two sureties, who shall justify, before any officer competent to administer an oath, in double the said amount, and over and above all statutory exemptions.

Said proposals or bids shall be delivered to the clerk of the said City on or before eight o'clock P. M., on Monday, the 8th day of April, 1940, said time being not less than ten days from the time of the first publication and posting of this notice, on which day and hour all proposals or bids received will be publicly opened by said City Council.

Dated: March 25th, 1940.

B. C. ROSS,
Clerk of the City Council of the City of Daly City.

Pub. March 27, April 3, 1940.

Grand Regent Mrs. Evelyn Weckerle, who has been very busy these past few weeks completing plans for Court St. Mary's joint installation, March 31 at the Fairmont hotel.

Ancient Roman Encampment

Campo Marzio, one of the military encampment grounds of ancient Rome, will be restored. Recent excavations disclosed many plaques bearing likenesses of Emperor Vespasiano and other military figures.

Slate Roofs

When the roof of a home is renewed, the matter of weight of the material selected must be studied carefully. If the old roof is of wood shingles, it is often possible to cover it without removing the old shingles, but if a heavy material, such as slate, is used, the frame must be checked to see if it will safely carry the added weight.

State PTA Cooperates In Public Schools Week

The California Congress of Parents and Teachers, representing nearly 250,000 members, will give full cooperation to the twenty-first annual observance of Public Schools Week, beginning April 22, according to a public statement issued in San Francisco today by Mrs. James K. Lytle, state president of the organization.

"A fundamental policy of the Congress of Parents and Teachers has always been to bring into closer relationship the home and the school," said Mrs. Lytle. "Home and school are the two great formative influences which affect the child's development. Parents need to keep in touch with educational trends, to know the schools, and what activities are going on in the schools."

Last year during the week it was estimated that more than 1,000,000 visitors over the state attended events in the public schools.

Bicycle Baby Trailer

An engineering works employee at Ashtabula, Ohio, has devised a "baby trailer" to be attached to bicycles or tricycles. Mike Zalimeni, seeking a patent on his device, says the "knee-action" trailer will enable people to take the baby along on bicycle trips.

COURT ST. MARY NO. 1155 HOSTESS FOR CDA INSTALLATION

Court St. Mary No. 1155, Catholic Daughters of America, will be hostess to the courts of San Francisco, San Mateo counties and San Jose, at a joint installation and banquet, Sunday, at the Fairmont hotel.

Mrs. Evelyn Weckerle, 130 Vista Grande avenue, grand regent of Court St. Mary, announced today that all plans and detailed arrangements for this outstanding ceremony, are now complete. Assisting Chairlady Weckerle have been: Mrs. Helen Rode, invitations; Mrs. Elizabeth Wettstein, entertainment; Mrs. Katherine McDermott, reservations, aided by Mrs. Margaret Fields; Mrs. Jennie Johnson, decorations.

Initation will start promptly at 2 p. m., in the Gold room, followed by an eleaborate banquet at 6:30 p. m. The exemplification of the degree work will be under the direct supervision of Miss Margaret Sheean (Court San Francisco No. 133), district deputy.

The selection of Court St. Mary to serve as hostess or the joint installation and banquet is a signal honor. It is a fitting climax for the outstanding work of the court, known throughout the state for its charities and benevolence, since its organization eight years ago.

Charities participated in yearly include the parish activities, Red Cross, Convent of Good Shepherd and the supplying of clothes and food for needy families. The benevolences distributed yearly are: one scholarship to Our Lady of Perpetual Help convent, grocery shower for the nuns of the convent, Christmas tree for children of members, Christmas toys and clothes for underprivileged children and a paper drive benefit for the parish.

During the past month Court St. Mary has contributed to the Seminarian Burse, co-operated in the Catholic Press month drive, assisted in the campaign against obscene literature and helped to promote the showing of better motion pictures.

Consider the EGG

suggests Dorothy Greig

CAN you imagine what a terrible place an eggless world would be? Half the things we would try to cook would fall flat and the other half would fall apart. And think what a gap in our daily menus the absence of eggs would leave.

That neat, compact little item known as the egg is just about the most useful, nourishing and altogether valuable food we have.

Eggs baked in tomato sauce and served with crisp bacon and corn sticks.

There's no waste to it. It can be eaten by everyone, young, old and middling. And the ways of using it and serving it are infinite in their variety.

Eggs should be cooked slowly and at low temperature. That keeps them tender. Even a hard cooked egg intended for salad or garnish should be brought to its firm state by slow, gentle means.

The traditional "four minute egg" is a better tasting egg if it reaches that particular stage of doneness by resting peaceably in water just under boiling temperature for eight minutes instead of boiling vigorously for four.

For Sunday breakfast, or for luncheon, eggs cooked this way are a tasty bite:

Eggs baked in Tomato Sauce

Butter individual ramekins or shirred egg dishes. Then into each one spoon two or three tablespoons of condensed tomato soup, thick, just as it comes from the can. Now drop an egg into each dish on top of the soup. Bake in a slow oven—325 degrees— until the eggs are set which will be in 14-17 minutes. Serve with strips of crisp bacon and fresh hot corn sticks.

World's Greatest Housekeeper

Probably the world's greatest housekeeper is the Pullman company which in a single year purchased 220,528 sheets, 157,780 pillow cases, 20,253 tidies, 455,829 hand towels, 24,318 headrest covers, 13,692 napkins and 3,260 table cloths, the Association of American Railroads reports.

Tomato-Growing Champion

Lynchburg, Va., where Thomas Jefferson taught the public that the tomato was good to eat, now boasts a tomato-growing champion. W. E. Martin, the champ, produced a tomato plant which grew to a height of 12 feet in his back yard.

Longest Army Gun Range

In the American army the 16-inch gun has the longest range, approximately 30 miles. The Paris guns used in the bombardment of the city of Paris during the World war had a possible maximum range of 79.5 miles, the longest range of any gun known.

Most Abundant Fuels

Of the three natural fuels available in the United States coal, gas and oil, coal is the most abundant.

About Town

News of Daly City's People and Activities

Mr .and Mrs. Daniel D. Shamberger, 138 Irvington street, are the proud parents of a baby daughter born in San Francisco, March 6.

Mr. and Mrs. Frank Coughlin, 443 Irvington street, entertained out-of-town visitors on Easter Sunday. They included Mr. and Mrs. Maurice Powers and three sons from Vallejo and Mrs. Mary Lee and Frank Lee from Martinez.

Melba A. Warren, 18, Daly City, and Raymond E. Elkins, 20, Bayshore City, applied last week in San Mateo county for a marriage license.

Miss Lilybell Fletcher, Templeton avenue, was one of five candidates initiated into Bethel 68, Order of Job's Daughters, Thursday evening. The ceremony was witnessed by a number of local residents.

Miss Lois Foster, Crocker avenue, entertained some of her school friends from George Washington high school at an Easter breakfast, Sunday morning. The table was decorated with Easter bunnies and brightly colored eggs.

Mr. and Mrs. Delmar J. Danielsen, Flournoy street, are the proud parents of a daughter, born March 14.

Mildred Thompson, 13-year-old daughter of Mr. and Mrs. William A. Thompson, 246 Los Banos avenue, was confirmed at the Good Samaritan church, twenty-fifth and Potrero street, Palm Sunday. On Easter Sunday, Mr. and Mrs. Thompson's baby daughter, Diane June, was baptised.

Mr. and Mrs. George McDonald, 44 San Pedro street, have returned from a three-month business and pleasure trip, in Ketchikan, Alaska, where they visited their daughter and son-in-law, Mr. and Mrs. P. Deller. Mr. and Mrs. McDonald left Daly City this week to spend a few days in their summer home in La Honda.

Mrs. I. C. Marquis, 173 Templeton avenue, and son, James, spent the week-end in Ripon visiting friends. Frank Marquis, who had been on his Easter vacation there, returned home with the family.

Mrs. E. L. Scott, 52 Park View avenue, Mrs. A. Stinson and Mrs. E. Williams, spent Sunday in Oakland, where they had Easter dinner at the home of Mrs. Weatherald.

Mr .and Mrs. P. E. Hedvall, 376 Santa Barbara avenue, entertained their two sons, and two daughters-in-law, Mr. and Mrs. R. Hedvall, Richmond, and Mr. and A. Hedvall, 226 Peoria street, and three grandchildren at dinner, Sunday.

Mr. and Mrs. A. Gehringer, 67 Woodrow street, are entertaining Mrs. Gehringer's sister and brother-in-law from Chicago, Mr. and Mrs. George Eade. Mrs. Gehringer had not seen her sister for twenty years, so the visit is in the nature of a reunion. The Eades expect to remain here for two weeks before returning home. A former resident of Daly City, Mrs. Eade will be remembered here as Miss Irene Barnd.

Mrs. H. Lorenz, 6899 Mission street, and daughter, Alice, motored to San Luis Obispo to spend the Easter holidays with Mr. and Mrs. Henry Lorenz jr.

Mr. and Mrs. Benedetti entertained at Easter dinner at their home at 49 Como street, Sunday. Guests were Mr. and Mrs. R. Benedetti and daughter, Florence, Mrs. F. Benedetti, Miss Inez and Rita Benassini, and Pete Benassini.

Mr. and Mrs. George McDonald jr., Mr. and Mrs. William Smith and daughter, Ruth, spent the Easter week-end at La Honda, with Mr. and Mrs. George McDonald sr., who had just returned from a three months' visit in Ketchikan, Alaska.

The Schooner Club of Grace Presbyterian church is sponsoring a "bean feed" Friday evening, 6 to 8 p. m., at the church, Hanover and Evergreen streets. Chefs will be Bertha and Ray Foster. The public is cordially invited to attend. A program will follow the dinner; proceeds will be used as a church benefit.

April CCC Quota For S. M. County 30

San Mateo County Civilian Conservation Corps selecting Agent, with offices in the State relief administration building, 430 Peninsula avenue, San Mateo, has received notice that the April, 1940 enrollment quota for San Mateo county is 30.

These applications can now be taken only on Monday, Wednesday and Saturady, between the hours of 10 a. m. and 12 noon.

Easter Bunny Visits Crocker Chapter

It will be no April Fool's trick when the Easter Bunny returns to Daly City for the evening of April 1.

Crocker Chapter No. 382, Order of the Eastern Star, has chosen next Monday night for its annual children's Easter party at Masonic hall. Each little guest will be presented with a gift, and the older folk will enjoy a program given by the smaller children.

Planned under the direct supervision of Mrs. Dorothy Gebhardt, worthy matron, arrangements are in charge of a committee which includes Jean Strachan, Agnes Chestnut, Margaret Swan, Isabelle Summerville, Jean Jeffreys and Jane Campbell.

A short business meeting will precede the party.

High School PTA To Select New Officers

Jefferson Union high school PTA will elect new officers this afternoon in the Little theatre of the high school. The business meeting begins at 2 p. m., and will be followed by a social hour.

The regular executive board meeting will be held at 1 p. m., next Wednesday.

Pershing Sewing Club Holds Regular Meeting

General Pershing PTA sewing club held their regular meeting at the home of Mrs. Ilda C. Marquis, 173 Templeton avenue, last Wednesday evening.

Present were Mrs. Getha Mejia, Mrs. Sadie Welsh, Mrs. Caroline Conroy, Mrs. Ella Kelley, Mrs. Eva Carnevale, Mrs. Ruth Leepin, Mrs. Amelia Siino, Mrs. Alyce Reynor, Mrs. Marquis and Mrs. Ann Lucas, chairman of the meeting. Refreshments were served and the meeting closed with a community sing.

The next meeting of the sewing circle will be at the home of Mrs. Ann Lucas, 448 Irvington street, April 3.

The executive board will meet this afternoon at General Pershing school. After the meeting there will be a benefit whist, with Mrs. Marge Woodside in charge. The public is invited.

Egg Rolling Time on White House Lawn

Three little citizens of Washington, take part in the traditional Easter egg rolling party held Monday on the White House lawn.

Mothers Club Announce Regular Whist Party

The Mothers club of Our Lady of Pereptual Help school will hold its regular monthly whist party at 2 p. m., Friday, at Theatre hall.

Many valuable prizes will be awarded. The committee, headed by Mrs. Lombard and Mrs. Miller, cordially invite the public to attend.

Auctioneer Is Boss

American courts have held that an auctioneer is not compelled to accept the highest bid, according to Collier's. In a Minnesota case, a house was sold to the first bidder for $675 after the second and only other bidder had offered $680. The auctioneer refused to consider such a trifling increase. So the second bidder sued but lost his case on the ground that no contract exists until the offer to purchase is accepted by the auctioneer.

Crocker PTA Plan Fall Bazaar

The Sew and Sew club of Crocker PTA will meet at 10:30 a. m., tomorrow, at the home of Mrs. Orvilla D. Pauw, 859 Hanover street. All members are asked to be present as sewing must be started for the fall bazaar.

During the ten years since the unit was organized, Crocker PTA has presented ten life-memberships, an outstanding record. This year is the second year that the unit has presented three. During Mrs. Otha Kinsey's year, three were presented, and again this year under the presidency of Mrs. Mildred Seiler.

As this money is used by national state and county organizations to further the education of those who could not otherwise continue their higher education, Crocker feels justly proud of its accomplishment along this line.

Mrs. Lena Hutchings Chairman For Whist

Mrs. Lena Hutchings will be chairman of the regular whist party of Vista Grande Circle No. 253 ,Ancient Order of Foresters, which will be held at 8:30 p. m., Tuesday, at Eagles hall.

There will be a cash first prize and other awards. The public is invited.

Resolution of Intention No. 1

RESOLVED that in the opinion of the Sanitary Board of the Bayshore Sanitary District of the County of San Mateo, State of California, the public interest and convenience require and it is the intention of said Sanitary Board to order the following work to be done and improvements to be made in said Bayshore Sanitary District, towit:

That the hereinafter mentioned or named streets, avenues, roads and public ways in said Bayshore Sanitary District in the County of San Mateo, State of California, be improved by having constructed in, along and on the same vitrified salt glazed iron stone pipe sanitary sewers and red burnt brick manholes capped with cast iron frames and covers, all of the sizes, dimensions, to the grades and in the particular locations and positions as shown on the plans, profiles and specifications hereinafter mentioned; also that four (4) inch vitrified salt glazed iron stone pipe sewer tees be constructed and placed along all of the lines of the sanitary sewers that are to be constructed as herein provided, one (1) such tee for each separate lot, piece or parcel of land shown upon the plans, profiles, and specifications to be served by such proposed sanitary sewers.

Geneva Avenue, from the northwesterly line of Acacia Street to the line dividing San Francisco and San Mateo Counties;

Rio Verde Street, Sequoia Street, Pueblo Street, Castillo Street and Palencia Street from the herein proposed sewer in Geneva Avenue to the line dividing San Francisco and San Mateo Counties.

All of the foregoing descriptions are to be deemed to include all terminations, intersections and opposite terminations.

The streets, avenues, roads, or portions thereof, mentioned and described herein, upon which any work is to be done, are situate in the Bayshore Sanitary District in the County of San Mateo, State of California.

There is excepted from the above described work any duplication of description, it being the intention to describe only one improvement of the same class at one place.

All work and improvements herein described shall be done to the lines and to the grades as shown upon the plans, profiles, detailed drawings and specifications for said work and improvements which plans, profiles, detailed drawings and specifications were heretofore adopted by the Sanitary Board of the Bayshore Sanitary District on the 21st day of March, 1940, and are now on file in the office of the Secretary of said Sanitary Board, to which plans, profiles, detailed drawings and specifications reference is hereby made for a description of the lines and grades at which said work is to be done and said improvements made and the same are made a part hereof.

All of said work hereinabove mentioned shall be done in accordance with the plans, profiles, detailed drawings and specifications heretofore prepared by R. A. Klassen, the District Engineer heretofore appointed by said Sanitary Board of the Bayshore Sanitary District of the County of San Mateo, State of California, which said plans, profiles, detailed drawings and specifications were heretofore adopted by said Sanitary Board on the 21st day of March, 1940, and are now on file in the office of the Secretary of the Sanitary Board of the Bayshore Sanitary District of the County of San Mateo, State of California, to which said plans, profiles, detailed drawings and specifications reference is hereby made for further particulars, and for an accurate detailed and complete description and location of said work and improvements and the same are hereby made a part hereof.

And Whereas said contemplated work and improvement in the opinion of the Sanitary Board of the Bayshore Sanitary District is of more than local or ordinary public benefit, said Board hereby makes the expenses of said work and improvements chargeable upon a district which said district said Board hereby declares to be the district benefited by said work and improvement and to be assessed to pay the costs and expenses thereof which said district is delineated and shown on that certain map entitled "Map showing Proposed Assessment District, General Plan, and Plan and Profile for proposed Sanitary Sewers, Bayshore Sanitary District, San Mateo County, California, Scales as noted, Mar., 1940, R. A. Klassen, District Engineer," which said map was heretofore adopted and approved by the Sanitary Board of the Bayshore Sanitary District on the 21st day of March, 1940, and which said map is now on file in the office of the Secretary of said Sanitary Board, to which said map reference is hereby made for an accurate detailed and complete description and location of said assessment district, and the same is hereby made a part hereof.

It is provided however, that there shall be excepted from the assessment district any and all public streets, avenues, ways, courts, public rights of way and other public property within the boundaries of the assessment district hereinabove mentioned, the same now being in public use.

The Sanitary Board of the Bayshore Sanitary District does hereby determine and notice is hereby given that serial bonds to represent unpaid assessments and bear interest at the rate of six (6) percent per annum will be issued hereunder in the manner provided by the Improvement Bond Act of 1915 as amended and now in effect, the last installment of which bonds shall mature nine (9) years from the 2nd day of July next succeeding ten (10) months from their date.

This Resolution of Intention No. 1 is adopted pursuant to the provisions of those certain acts of the Legislature of the State of California, designated respectively "Improvement Act of 1911" approved April 7, 1911, and acts amendatory thereof, and "Improvement Bond Act of 1915" approved June 11, 1915, and acts amendatory thereof, and future proceedings shall be had and done in accordance with the provisions of said Acts.

AND NOTICE IS HEREBY GIVEN that Thursday, the 18th day of April, 1940, at the hour of 8:00 o'clock P. M. of said day in the meeting room of the Sanitary Board of the Bayshore Sanitary District in the firehouse on Geneva Avenue in said Bayshore Sanitary District in the County of San Mateo, State of California, has been and the same is hereby fixed as the day, hour and place when and where any and all persons having any objections to the proposed work and improvements described herein or to the extent of the district to be assessed therefor, or both, or having any objections to the proposed grades at which said work and improvements are to be done and made may appear before said Sanitary Board of the Bayshore Sanitary District and show cause why said proposed work and improvements should not be carried out in accordance with this Resolution of Intention No. 1, or why said work and improvements should not be carried out and done at the proposed grades as shown on the plans, profiles, detailed drawings and specifications hereinabove referred to and now on file in the office of the Secretary of said Sanitary Board.

There being no newspaper published in said Bayshore Sanitary District the Secretary of the Sanitary Board of the Bayshore Sanitary District shall cause this Resolution of Intention to be published twice in the "Daly City Record," a weekly newspaper of general circulation, published, printed and circulated within said San Mateo County, which said newspaper is hereby designated for the purpose by said Sanitary Board as being the newspaper most likely to give notice to the persons owning property in the herein proposed assessment district.

The District Engineer of said Sanitary District shall cause to be conspicuously posted along the line of said contemplated work and improvements and in and along all of the open streets within the district to be assessed therefor and in front of all of the property to be assessed, notices of the passage of this Resolution of Intention No. 1 in time, form, number and manner as prescribed by Law.

The Secretary of the Sanitary Board of the Bayshore Sanitary District is hereby directed to mail notices of the adoption of this Resolution of Intention, postage prepaid, to all persons owning real property within the assessment district proposed to be assessed, in the time, form and manner provided for in the "Improvement Act of 1911" hereinbefore mentioned.

I hereby certify that the foregoing Resolution of Intention No. 1 was duly and regularly introduced and adopted by the Sanitary Board of the Bayshore Sanitary District in the County of San Mateo, State of California, at a regular meeting of said Board held on the 21st day of March, 1940, by the following vote.

AYES: Sanitary Board Members, L. W. Prestidge, A. A. Lowe, H. Weinberg, G. W. Anderson, W. Mardecich.

Troop 141 Scouts Hunt For Campsite

Six Scouts of Troop No. 141, accompanied by Scoutmaster Joseph Straughan, went on an overnight camping trip last week to Cypress Grove, near Sharp Park.

Staying for the night at Cypress Grove, the boys got an early start and went by car to Pedro creek, exploring both branches of the creek for a possible cabin site. This is the second year the scouts have been looking for a favorable camp site where they can have a swimming pool.

Scouts who went on the trip included Glenn Goode, Henry Herting jr., Elmer Raanes, Jimmy Meidl, Paul Underhil land Richard Russel. Henry Herting sr. helped transport some of the boys to Sharp Park.

Hold Card Party For Church Benefit

Ladies of the local Catholic parish in Colma will hold a benefit card party for Holy Angels church, April 16, in the parish hall.

Playing will begin at 8:30 p. m., and the public is cordially invited.

Stardusters To Elect Officers At Meeting

Election of officers will be the main order of business when the Stardusters meet at 7 p. m., tomorrow, at 163 Evergreen avenue. All members are urged to attend.

Stardusters is a recently organized social group composed of high school girls. The club meets every Thursday evening at the homes of the various members.

Signalling experts of Boy Scout Troop No. 141 are busy perfecting their technique for the big Scout-O-Rama to be held April 19 at Civic auditorium. Scouts around the table are Kenneth Claussen, Henry Herting, Paul Underhill, George Fair, Elmer Raanes, Roy Camillo and Glenn Goode.

Technocracy Inc. Has New Address

To accomodate its increasing membership and activities, Section 1, R. D. 12237, Technocracy Inc., on April 1 moves into its new headquarters at 236 McAllister street ,across from the public library.

Section headquarters, for the past two years, have been located at 83 McAllister street. A second office was added about one year ago but the section soon found these quarters too small. The new headquarters consist of a front office and auditorium in the rear of which is a series of offices.

The Tuesday night public meetings will be conducted at the new headquarters starting Tuesday, April 2.

Considerable remodeling has been done the past two weeks at the new headquarters which is modernistic in design and gives San Francisco one of the most attractive Technocracy headquarters on the West coast. The auditorium has a seating capacity of about 200. Section 1, although organized only four years ago, has developed into one of the most active and important sections in the west and has been designated as Area Tour Headquarters for Northern California by C. H. a. (Continental Headquarters) New York City.

Location of Thermostats

Five feet above the floor is considered a generally satisfactory height for the location of thermostats. They should be placed in locations protected from drafts and not in contact with a large volume of air. The rather bulky thermostat of yesteryear has been beautified, and their location today on the living room wall does not mar the decorative scheme.

His Hat in the Ring

"Mahatma" Bailey, assistant football coach at Washington State college, was married recently, reports the American Magazine, and among his wedding presents were 26,000 old hats sent by his alumni friends. They all remembered that Bailey has a habit of throwing his hat down and jumping on it whenever his team faces a critical moment in a game.

What an Animal!

The biggest land mammal that ever lived is called a Baluchithere. Its bones were found by the American Museum of Natural History on one of its expeditions to Mongolia. This prehistoric beast must have been able to browse on leaves more than 25 feet above the ground, according to measurements of its reconstructed skeleton.

Field hockey's the thing with South African women and they will send a team to England to compete in international matches.

Washington's Farewell Address

Washington's "Farewell Address" was written primarily to eliminate himself as a candidate for a third term. It was never read by the President in public, but printed in Claypoole's American Daily Advertiser, Philadelphia, September 19, 1796. The address is in two parts. In the first Washington definitely declines a third term, gives reasons, and acknowledges a debt of gratitude for the honors conferred upon him and for the confident support of the people. In the second, more important part, he presents, as a result of his experience and as a last legacy of advice, thoughts upon the government.

Rome's World Fair

A mammoth aluminum arch 325 feet high and with a span of 756 feet will be the theme center of the Rome 1942 Universal exposition. It will be the biggest construction project ever attempted completely in light metal and will be built of aluminum made in Italy. The arch will be built with steps and fair visitors who enjoy climbing will be able to scale the highest point of the arch for a panoramic view of the Rome fair.

Valuable Copper Sludge

Precious metals are recovered from the sludge of copper refineries, says Industrial and Engineering Chemistry. Cadmium is a by-product of zinc smelting. Selenium, now widely used in making ruby-colored glass, was once a waste of copper refineries, and antimonial lead is produced by working up the scum from softening furnaces in lead refining.

Eastern Lines Cut Passenger Fares

Under order of the interstate commerce commission, eastern U. S. railroads inaugurated a 20 per cent reduction in maximum basic passenger coach fares, Sunday. Roughly speaking, the shaded area is affected by the order, which was opposed by all major eastern lines except the Baltimore & Ohio. B. & O's President Daniel Willard, inset, fought for the new rate, which makes the basic coach fare 2 cents a mile instead of 2½ cents.
